Mr. Dave Webb
Illinois Department of Public Health

Edwardsville, IL 62025

Dear Mr. Webb:

Thank you for taking the time to speak with me on the telephone yesterday. Confirming our conversation, you informed me that U.S. EPA was the only party to submit to the Illinois Department of Public Health a public comment on the draft lead exposure study of Madison County residents. If you discover that any additional comments were submitted, however, U.S. EPA would like a copy of those comments. Thank you.

Sincerely,
